Privacy Policy

This privacy policy is for the use of any mobile, online, desktop or cloud-based service developed and maintained by RRZ Innovations. This document explains RRZ's policies for the collection, use and disclosure of personal information.

The internet is an amazing tool and resource. It has changed the way we live and operate on a daily basis. We pay our accounts, lookup information and follow news. This happens on a global scale.

RRZ sees the importance in insuring that our users retain their privacy whilst taking the advantage of all services and features we offer in our applications. We understand that your privacy is important to you and thus it is important to us. So we will protect the information you share with us.

Protecting your information is achieved by following stringent procedures and policies that are in accordance with global standards and practice for customer information privacy and the protection of information.

Collection of information

RRZ will, from time to time ask you for your personal information. We collect information using different methods depending on the application / service you are using this includes information provided by our providers / partners. When you register to use our services we may ask for personal information, this can include information such as, Your Email Address, ID Number, Gender etc.

With regard to credit card / debit card information your data will be processed and stored with our payment service providers who have their own privacy policies.

Protecting Your Information

RRZ Innovations makes use of and implements a host of security measures to ensure that your information is protected at all times. We enforce policies and procedures to ensure the safety of your information which are inline with the Protection Of Private Information (POPI) Act.

External / Third Party Links

RRZ will occasionally, at their discretion, include or offer external products or services on / within our applications and solutions. These external parties, partners or providers have independent privacy policies. It is for this reason that take no responsibility or liability for the content, activity or services of these linked sites, We however, aim to protect the integrity of our sites and applications and therefore welcome any feedback about any of these third-party or external sites / services.

Disclosing information to third parties

RRZ does not sell, trade, or otherwise transfer your information to outside parties. This does not include trusted third parties who assist us in operating our applications, conducting our business or maintaining the high level of service we provide to you; so long as those parties agree to keep this information confidential.

Scope of policy

This policy is an online policy and applies only to information that we collect through online methods and not to information that we collect offline.

Consent

By making use of our applications / services you consent to this privacy policy.

Changes / Amendments

RRZ will, at times change this policy and post the latest version of this policy on our website:
